Luscious, and one of our most popular. Four layers of light chocolate sponge cake, filled with a light chocolate mousse. Coated with chocolate ganache.

## Chocolate Raspberry Mousse - Gluten Free

The cake is three kinds of mousse: Dark chocolate, white chocolate, and raspberry. All layered and left exposed for a great three-color look.

## Toasted Coconut - Gluten Free

Coconut cake, Bavarian cream, and candied pineapple, covered with more coconut buttercream and textured with chewy toasted coconut.

## Tiramisu

This has all the flavors of classic tiramisu, but in a cake shape. Surrounded by ladyfingers and tied with a bow.

Four layers of cake, two chocolate, two vanilla sponge, layered with a vanilla and orange pastry cream, all covered with whipped cream and chocolate shavings.

## Hazelnut Dacquoise - One Size Only

Hazelnut meringue, chocolate ganache, and smooth buttercream all layered in an easy-to-cut rectangular cake.

## Flourless Chocolate - Gluten Free

Knockdown, drag-out chocolate for the real chocolate lover. Especially decadent, like the inside of a chocolate truffle. A single layer of cake so rich it's served in smaller portions.
